MAIN STREET MINGLE PERFORMANCE OPPORTUNITY Q & A

Q: How does the Main Street Mingle Performance differ from the Extravaganza?

A: For starters, it is WAY less time and financial commitment. It will be held outside, 'flash mob' style at designated times. Families of students will only need to show up at the designated time, then they are free to leave.

Q: Top 3 Reasons WHY everyone should participate?

A: It gives all students an extra chance to work on their learning, implementing and technical skills while sharing their love of the art with the audience. Not everything has to be an 'elite' performance.

This is an event you can add to your holiday tradition! It is an additional opportunity to our season to perform in front of an audience.

Q: What would you tell a dancer on the fence?

A: Even if your friends aren't able to participate, make your own decision. Anytime life presents you with an opportunity to do something you love no matter how big or small JUST DO IT. Then once all is said and done you will have another fun experience and memory in your journey bank.

Q: What would you tell a parent on the fence?

A: Students are already learning the holiday routines in class, so there are no additional rehearsals. If the show day works then DO IT. Its a low cost and time commitment opportunity. They are learning, living and loving every minute that leads up to a performance, not to mention gaining confidence and life lessons every step of the way.

Q: Why no big costumes?

A: It's Christmas time so no need for an extra fee. Kids can get use out of their outfits they would most likely wear anyway more than once: Holiday PJ's, Holiday Dresses, Themed Outfits for school, or the Red Holiday Sweatshirts from previous year.
